

June 1, 2018

The Notre Dame Alumni Foundation continues to financially assist Notre Dame Regional Secondary School, especially with the current need to outfit the Final Phase of the building project, completed in April, 2015.

On Friday, November 16, 2018, we are hosting our annual fundraising event. This year, we are hosting “*ND: Uncorked*” a wine and cheese fundraising auction for approximately 300 guests at our school. Many individuals and companies show support and we are grateful for their generosity. We want to draw on your kindness and support to contribute to our event this year. Tax deductible donations to our silent and live auctions impact the success of our event. Previous items donated include products, services, tickets, hockey jerseys, gift certificates, a trip to Vegas, use of vacation homes and cash. Donations will be acknowledged in our event program (details below). Items will be used towards our event or towards one of our other Fundraising events, such as our Golf Tournament or Pub Night.

We also offer advertising opportunities for businesses that promote the company at the event while benefitting the students at Notre Dame. Please review the Advertising Program for details and return the form via fax or e-mail to the school office by November 5, 2018.

If advertising or donating is not an option but you would like to support by attending *ND: Uncorked*, please order tickets through the order form attachment. If you have any questions please contact Lucia DeCotiis or myself through the school office. You can make a difference and contribute to this worthy cause. The community of Notre Dame, especially the students and staff, thank you for your support.

Sincerely,

Eva Zanotto, Fundraising Coordinator and Treasurer
The Notre Dame Wine & Cheese Committee and Alumni Foundation
